Welcome to New Joseph Bonnheim Community Charter School!

The New Joseph Bonnheim team extends a warm welcome to all of our scholars, parents, family, and community partnerships. NJB is an excellent neighborhood charter school that is centered on agriculture and science, and on the very community it serves. With a dedicated and caring team of highly qualified teachers, support staff, wonderful children, involved and supportive parents, and partnerships, our mission is to develop responsible, respectful, and proactive citizens to become caretakers of our community, our state, our country, and our planet.

We are deeply committed in all aspects of our scholars' learning by providing a quality education using the Highly Effective Teaching model, LIFESKILLS to promote positive relationships, and implementing the Common Core State Standards. At NJB, scholars are fully engaged in their thinking and demonstrate mastery of learning effectively. Our goal is to guide children to become fully participating citizens by giving them a strong academic education in a nurturing environment that recognizes diversity, promotes healthy choices, positive mindset, and embraces community involvement.

Our scholars receive a challenging and rigorous academic curriculum that is thematic and based in science and agriculture. Our project based learning and inquiry is supported with enrichment activities, hands-on and real-life experiences, community resources, and active parent participation and involvement. Parent and community partnerships are encouraged and continue to provide vital assistance to our educational program.

In addition to instruction in the core curriculum and units of study in science, scholars are provided learning opportunities in our community garden, library, art and music, sports, technology, and various after school and enrichment programs. NJB also has smaller class sizes to support learning and every grade level has a bi-lingual teacher.

To further optimize our scholars' learning and development of staff, this year we are utilizing a year-round calendar designed to support a high level of on-going professional development without interfering with the instructional day.

Our school's Steering Committee, PTA, and other site committees are very active and highly committed to supporting and improving the educational program and school environment through its involvement with the school and its many planned school and family activities.

New Joseph Bonnheim Community Charter is a wonderful neighborhood school establishing a tradition of curious intellectual learners, high scholar achievement and academic success for all scholars, and outstanding parent and community involvement. We believe in our scholars and their educational success is our priority!

Communication and positive relationships are critical aspects of bringing a school community together under a common vision for scholars. Therefore, you will receive a monthly Parent Newsletter in the Monday Folder titled *The NJB Buzz*, and a weekly phone message every Sunday evening. You are encouraged to "like" us on Facebook and to sign up for our E-mail blast on our website www.newjosephbonnheim.scusd.edu for regular updates from the school and the PTA. Teachers will send home regular communication, and we are all accessible by email if you have a question or want to set up a time to talk. Please keep this Scholar & Family Handbook in an easy-to-find location throughout the year, as it is another vital communication tool. It contains important information about our special programs, our policies and procedures, and our expectations for scholar behavior and safety. This document is available on our school website and we will always have additional copies in the front office as well. Please sign and return the "NJB Scholars & Family Handbook Agreement Form" after your family has had a chance to review and discuss the information. Thank you!

In Partnership for Excellence,

Christie Wells-Artman, Principal NJB

Arrival and Departure Guidelines

- **Scholars are NOT to arrive at school until 30 minutes before the start of school. (7:45 a.m.)**
There is no supervision on the yard until that time and the school cannot be responsible for their safety.
- All scholars who eat breakfast at 7:45 a.m. at the school must stay in the cafeteria until 8:00 a.m.
- The front office is not to be used as an entrance by scholars. They are to walk around the school and enter the cafeteria through the back doors.
- Scholars are to leave the campus immediately after school unless they are in a classroom for tutoring or participating in a **supervised** after school program.
- Scholars loitering on campus prior to or after the above times will be referred to the office.
- If necessary CPS and/or law enforcement agencies will be called if the problem becomes persistent.

The school has a responsibility to hold scholars to strict account for their behavior and conduct on the way to and from school, in the classroom and during recess.

Parking:

- **Please do not drop your scholars off in the staff parking areas located on the north and south sides of the campus. These areas are designated for teachers, staff and delivery trucks only.**
- Children may be dropped off, and picked up, along the green curb on the circle in front of the school. This privilege may be changed based on parent adherence to the rules.
- **Please follow the directions of the traffic and crossing guards. They are there for the safety of all children.**

Closed Campus:

In the interest of scholar safety and supervision, the Board of Education establishes a “closed campus” throughout the District. Once scholars arrive on the school grounds, they must remain until the end of the school day unless they have proper written authorization from a parent/guardian. **Without this permission scholars will be classified as truant and subject to disciplinary action.**

Skateboards, Scooters, Skate-shoes, Bikes, and Rollerblades

The aforementioned are not allowed **on school grounds, during, or after school, or at any school function.** A first violation of this rule will result in removal of the equipment and require a parent to pick it up. A second violation will result in the item being taken from the scholar until June. It is law that scholars wear helmets when riding anything with wheels. Bikes and scooters must be walked on campus. Skateboards must be carried safely underarm. **Skate-shoes and Rollerblades are prohibited.**

Emergency Cards

Every scholar is required to have a complete and up-to-date emergency card on file in the front office. Any changes in phone numbers and addresses must be recorded on the emergency card. The card is critically important in the event of an emergency. Scholars will not be released to anyone not authorized on the emergency card. **Scholars without an up-to-date emergency card on file will not be allowed to participate in field trips until an up-to-date card is on file.**

Cell Phones, Electronic Equipment & Personal Items

The school will not be responsible for lost, damaged or stolen electronic equipment or personal items brought to school from home. While cell phones may be brought to school they **may NOT**

interfere with the instructional process. Cell phones and other electronic devices are to remain off and out of sight (in backpacks) at all times while on campus. Scholars may use cell phones only when instructed by a school authority in the event of a dire emergency. Scholars caught using a phone, or any electronic equipment will have them confiscated and a parent will be required to pick them up in the front office. The second offense will result in the item(s) being taken for the remainder of the year.

Attendance and Absences

Regular school attendance is a key factor in school success. Scholars are expected to be in school every day unless it is **absolutely necessary** that they be absent.

Please note that even excused absences are not reimbursed by the state. Each day a child is absent reduces the funding base which provides staff, resources, and programs for your scholar.

Please call the attendance line at (916) 277- 6294 to report an absence each day your child is absent. If a call is not made the scholar must bring a note upon their return to school. The note must include the scholars first and last name, the date, reason for absence and parent or guardian signature.

PLEASE NOTE THAT AN ABSENCE MAY STILL BE CONSIDERED UNEXCUSED EVEN THOUGH A PARENT CALL IS MADE.

NOTE: Teachers are not obligated to provide homework for unexcused absences.

Excused Absences:

- Verified illness of scholar.
- Quarantine of scholar under direction of health officer.
- Personal medical or dental appointment.
- Attending funeral service of parent, sibling, grandparent, or any relative living in the immediate household of the child. (limited to 1 day in the state and 3 days out of state)
- Exclusion due to incomplete immunization. Parents/Guardians have 10 days to provide evidence of immunization. After 10 days scholar is excluded from school and recorded as absent for no more than 5 days.

Unexcused Absences:

- Vacations
- Oversleeping
- Babysitting or taking care of other family members
- Personal reasons (missed bus, court...)
- Waiting for service or repair people
- Attending a sporting event
- Shopping
- Going to a concert

Truancy:

If a scholar has 3 or more unexcused absences or 3 tardies of 30 minutes or more, he/she is considered truant.

SCUSD's truancy program includes a partnership with the District Attorney, Sacramento Police, Juvenile Probation, City of Sacramento and several judges.

The process involves letters sent home, a school site SART meeting and a district level SARB (Scholar Attendance Review Board) hearing. It is our goal to make sure every scholar has the opportunity to receive a quality education: therefore, we will do everything possible, prior to a hearing, to improve attendance.

However, if attendance concerns continue the District is prepared to implement the SARB process to the fullest extent.

Tardies and Early Dismissal

Scholars arriving 30 minutes or more past the start of school must stop by the office for a tardy slip before going to class. Scholars are considered truant if they are tardy in excess of 30 minutes for three or more days. Scholars less than 30 minutes tardy must check into the office for a pass before proceeding to class.

If scholars arrive to school late after a doctor's appointment, a note from the doctor or clinic is required for admittance and not count as truant.

Scholars are not allowed to leave school early unless they are picked up by a parent/guardian, or other person designated on the emergency card. **Parents/guardians are required to come to the front office to sign a scholar out.**

Identification may be checked before a scholar is released to anyone the front office staff may not recognize.

The office staff will call for the scholar to come to the office to meet the parent/guardian. **In order to ensure the safety of our scholars and staff no one, other than office staff, is allowed to go directly to the classroom without signing in at the office first.** All visitors will be issued a badge that identifies them as a guest at our school. Please be sure to sign out when leaving the campus.

Uniforms and Dress Code

Uniforms

New Joseph Bonnheim is a uniform school. A new survey was conducted in the spring and parents overwhelmingly supported the uniform policy. Scholars are expected to wear khaki slacks, skirts, jumpers, shorts (that must extend to the tips of the fingers when the scholar is standing) and **solid** burgundy shirts or blouses. Shirts, blouses and pants may not have any writing on them unless they are NJB school spirit shirts. Pants must fit properly and may not sag. **Scholars out of uniform will be required to call home for a change or will be loaned a loaner shirt.**

Uniforms will be worn on Monday-Thursday and NJB spirit or college shirt on Friday.

Dress Code

All scholars, must abide by the following dress code:

- No baseball caps allowed indoors. They may be worn outside for protection from the sun, but must be worn with the bill forward only.
- No solid color red
- No CROCS
- No doo rags
- No headbands
- No beanies allowed indoors
- No bandanas
- No pajamas
- No sagging pants
- No short shorts or skirts
- No bare midriffs
- No low-cut, see through, halter, tank, tube, backless or spaghetti strapped tops
- **No clothing with slogans or pictures of any kind**
- No bare feet, flip-flops, open toe shoes, or slippers
- No wallet chains
- No facial piercings (ears only)
- No spiked jewelry
- No removable dental caps or crowns
- Nails must be age-appropriate, groomed

Any staff member may hold a scholar accountable for adherence to the dress code.

Medication and Health Matters

We do not have a full-time nurse on staff. Pain relievers and any other over-the-counter medications may not be dispensed to scholars. The school is only equipped to treat minor injuries with ice and band-aides. Parents/guardians will be called for more serious injuries and illnesses. If parents cannot be reached then emergency card will be used for additional contacts.

Scholars are not allowed to possess any type of medication. Education Code 49423 states: “Not withstanding the provisions of Section 49422, any pupil who is required to take, during the regular school day, medication prescribed for him/her by a physician may be assisted by a school nurse or other designated school personnel if the school district receives:

1. A written statement from such physician detailing the method, amount, and time schedule by which medication is to be taken.
 2. A written statement from the parent/guardian of the pupil indicating the desire that the school district assist the pupil in the manner set forth in the physician’s statement.”
- Forms are available in the office for the signature of the parent and physician if the child must have medication during the school day.
 - Medication is kept in a secure area and dispensed per the physician’s instruction.
 - The dosage on the medicine container must match the dosage on the doctor’s orders.

- If the dosage is changed a new set of doctor's instructions must be provided.

The Office

The office is a very busy place. Scholars must have an “Office Pass” from their teacher to come to the office, emergencies excepted. **Please make all after school arrangements with your child prior to the start of school. Telephone use in the office is limited to emergency calls only.** In addition, teachers will not be disturbed during instructional time for phone calls, except in the case of dire emergencies.

All visitors must check into the office, sign log-in book, and visibly wear a visitor’s pass at all times. All visitors must enter the office, using the front door and an only school personnel are to enter behind the office gates unless invited by office staff.

Homework Policies

Scholars often forget their homework or other items at school and expect to be allowed access to the classroom after hours. Unless the teacher is still in the classroom, please do not expect access to the classroom to be provided by custodial or any other staff members. The only person allowed to provide access to a classroom when the teacher is not present is the principal. If the principal is available access may be provided. Scholars are expected to take personal responsibility and learn to accept logical consequences of their actions.

Lost and Found

Lost and found clothing, and other large items, are kept on a rack outside the cafeteria. Smaller items, such as keys, glasses, or jewelry are kept in the front office. Unclaimed items will be donated to the PTA clothes closet on the last day of every month. Labeling your child’s jackets sweaters and sweatshirts will help identify their clothing should it become lost. Please check on through out the month.

Study Trips

Study trips are “being there” experiences that children will always remember. They, however, require teachers have to invest time to complete an inordinate amount of paper work and figure logistics to create a positive educational field experience. In order to make sure that all safety and district requirements are met for each field trip the following protocols must be strictly adhered to:

- ALL field trip paperwork must be submitted to the front office no later than a week and a day prior to the scheduled date.
- ALL permission slips must be turned in with complete and current parent contact information by the deadline stated on the permission slip. **NO late additions to the trip roster will be allowed.**
- All chaperones must have cleared the volunteer screening process, which includes evidence of tuberculosis screening. The paperwork for this screening is included in the first day packet. See the volunteer section of this handbook for further information about volunteers.
- Parents may not just “show up” at the field trip destination, unless prior arrangements were made. Scholars are under the direct care and supervision of the school staff and designated chaperones.
- Field trips are a privilege and as such scholars with poor behavior may be excluded from trips. Our goal is to have every child attend their class/school trip.
- Parents may be called to pick a child up from an overnight trip if the child’s behavior is cause for removal.
- Scholars with missing emergency cards will be excluded from field trips.
- Scholars who owe library/text book or cafeteria money may be excluded from end-of-year field trips until all accounts are brought into balance.
- Safety is our primary concern for all field trips. Consequently, field trip guidelines will be strictly adhered to.

Volunteers

Volunteers are the backbone of an effective and thriving school and we need your support at NJB. However, there are a lot of legal requirements that must be met in order to begin volunteering at a school site. The requirements are in place to insure the safety of every child. **The following items must be on file with the school before any volunteer project can be started:**

- A current and completed volunteer registration form. This must be completed each school year.
- Copy of a recent TB test or chest x-ray form/card indicating a negative result. TB tests are “good” for 4 years. Please contact your health care provider for TB tests.
- A completed and cleared Volunteer Sex Offender Check Authorization Form (SOC-1) or a completed and cleared Volunteer Fingerprinting and Criminal Background Check Authorization Form (BC-1). The sex offender form must be completed each school year. There is no charge for this clearance. There is a charge for fingerprinting and the results are good for the duration of “uninterrupted” volunteering in the district. Call 643-7449 for more information.

There are 3 levels of volunteers in SCUSD.

Level 1: Off-campus volunteers with no direct contact with scholars. The only requirement for a Level 1 volunteer is the registration form.

Level 2: Volunteers under the direct supervision of certificated personnel. The requirements for Level 2 volunteers are: Volunteer registration form, Sex offender clearance, TB Test.

Level 3: Volunteers not under direct supervision, with possible unsupervised contact with scholars. The requirements for Level 3 volunteers are: Volunteer registration form, fingerprinting and criminal records clearance, TB Testing, Automobile use form if transporting scholars.

Incentives and Awards

At NJB, we love to celebrate every child who demonstrates the following;

LIFESKILLS: Each month teachers nominate scholars for exemplary academics, attendance and citizenship. These scholars have their pictures posted in the cafeteria, and receive a special certificate.

** Please note that all of the above incentives are subject to funding availability and may be revised accordingly.*

Textbooks and Library Books

SCUSD has a policy regarding the care of library and textbooks. Please take careful note of the requirements, and consequences for damage or loss of these costly and necessary resources.

1. Textbooks are provided for use by scholars and remain the property of the Sacramento City Unified School District. Scholars are responsible for returning textbooks checked out in their name in good condition, with no more wear and tear than usually results from normal use. (SCUSD BP 6161.2)
2. Each scholar is responsible for all textbooks checked out under his/her name and is subject to fines if books are lost or damaged. Scholars or parents/guardians are responsible for the current replacement cost of the materials. (SCUSD BP 6161.2 and CA Education Code 48904)
3. Payment can be made by cashier's check, money order or cash. Checks for lost or severely damaged books are made out to Sacramento City Unified School District. If the book(s) are later found (within 9 months) and returned, a refund check will be issued by the district. A receipt must be presented in order to receive a refund.
4. Fines may be waived in instances of unusual circumstances at the discretion of the principal, his/her designee or the district. Or, scholars may complete service hours in lieu of cash payment for damaged or lost textbooks.
5. When materials are damaged but still usable the scholar will be charged as follows:

Damages	Cost
Torn pages, ink or pencil marks	\$1.00 per page
Damaged cover	25% of the cost of the book
Damages that prevent re-issuing books (including mold or mildew or obscenities – drawn or written)	Full cost of the book
Missing bar codes	\$5.00

6. All textbooks must be returned by scholars at the end of every school year. If not, the district may withhold the scholar's grades, diploma, and transcripts until restitution is made or an agreement is reached with the site administration. (CA Education Code 48904). **The scholar may also be denied participation in school privileges or commencement activities. (SCUSD BP 6161.2)**

7. The aforementioned consequences also holds true for unpaid lunch balances.

Please do not wait until the last minute to respond to school communications about unpaid debts. Be proactive so as to avoid having your child be held accountable for parental responsibilities.

Junk Food, Gum and Other Food Issues

NJB is a gum-free zone. **Scholars are not to be chewing gum at any time on campus. In addition, candy, soda and sunflower seeds are not allowed.** Please do not send these items to school with your child. We follow the SCUSD's Sugary foods can interfere with a child's ability to learn and function in a classroom. Recent legislation bans the sale of soda and candy to scholars at elementary schools.

No food is allowed on the yard.

Food is not to be traded, exchanged, sold, extorted, or bullied from other scholars.

Recess

Common sense is the best rule to follow on the playground.

- **Play-fighting is not allowed at all, in that it usually ends up in a fight.**
- Scholars are to remain on the playground area, in sight of yard duty adults, when outside. Off limit areas include: behind the classrooms, the parking lot, beyond the red lines, in the hallways, and on the baseball diamonds.
- Playing in the restrooms, walkways, and classrooms is prohibited and may result in disciplinary action for defiance.
- Absolutely no chasing, warrior, super hero, or games that involve tagging or any physical contact are allowed on the yard.

PERSONAL ITEMS:

Scholars may not bring personal toys, balls, etc. to school. The school will not be responsible for any lost, damaged, or stolen personal items brought from home.

Expectations for Adult Behavior

Any adult behavior that interferes with the discipline, good conduct and lawful performance of school activities may result in a withdrawal of consent, for 14 days, to remain off campus in accordance with California Penal Code Section 626.4(a) (enclosed).

California Education Code considers the following to be misdemeanor offenses:

- Willful disturbance of any public school or any public school meeting. California Education Code Section 32210.
- Willful interference with the discipline, good order, lawful conduct, or administration of any school class or activity of the school with the intent to disrupt, obstruct or to inflict damage to property. California Education Code Section 44810.
- Conduct which disrupts classwork or extracurricular activity or involves substantial disorder. Education Code Section 44811.

Any behavior that creates a disruption of classroom or school activities, or disturbance of any school employee, may result in a misdemeanor and subject the perpetrator to arrest. In addition, the District will consider further lawful proceedings, such as obtaining a temporary restraining order and other civil action to maintain safety and order on campus. The District will seek reimbursement for attorney costs the courts may impose.

Please be role models for our scholars and refrain from cursing, yelling, intimidating, or threatening any district employee, scholar, or other parent. Please work to resolve any complaints or issues peacefully and respectfully.

Positive Discipline

The foundation of our schoolwide discipline plan is respect for all, and personal responsibility. Respect is a mutual process. This means that scholars will be shown respect and scholars will respect the authority of teachers, administrators, and **all staff members**. Respectful behavior is a matter of common sense: doing what you know is right, even when no one is looking, and treating others as you would expect to be treated. Failure to show respect for others is the root of behavior violations and will be treated seriously. In addition, scholars are expected to take personal responsibility for their actions. Please note that there are 16 cameras around the school to help support safety and security for all scholars, staff, and visitors to our campus.

All NJB rules and expectations are centered on the 5 B's.

- Be Safe
- Be Productive
- Be Attentive, Listen and Follow Staff Directions
- Be Respectful and Responsible to everyone and Their Property
- Be Kind to Other People

Please note that every attempt is made to resolve issues at the local level, in the classroom or on the yard. Only serious issues are referred to the principal for resolution. Parents are strongly encouraged to contact the scholar's teacher with any questions you may have about a disciplinary action. If you feel it was not resolved appropriately you may make an appointment to discuss the issue with the principal.

Parents are never allowed to speak with any other scholar about a disciplinary action involving more than one scholar.

Bullying

NJB is a bully free zone! Bullying is the most common behavior that creates a hostile and unsafe environment for scholars and staff members. Scholars have a right to not be hurt, physical and emotionally, and the right to learn in a safe environment. Everyone has an ethical responsibility to address bullying.

"A person is bullied when he or she is exposed, repeatedly over time, to negative actions on the part of one or more other persons, and he or she has difficulty defending himself or herself."

- Bullying is aggressive behavior that involves unwanted, negative actions.
- Bullying involves a pattern of behavior repeated over time.
- Bullying involves an imbalance of power or strength.

Bullying includes, but is not limited to:

- Verbal bullying including derogatory comments and bad names.
- Social exclusion or isolation.
- Hitting, kicking, shoving, and spitting.
- Lies and false rumors.
- Taking money or other things or damaging other scholars' property.
- Threatening or forcing scholars to do inappropriate things.
- Racial bullying of any kind
- Sexual bullying
- **Cyber bullying (via cell phone or Internet)**

Bullying is against California Educational Code and is a suspendable offense. Bullying has a negative impact on scholar learning. Cyberbullying can be punishing by law enforcement.

There is **no excuse** for bullying and it will be appropriately addressed with at NJB.

Profanity and Inappropriate Gestures

Children are exposed to profane language, gestures, and behavior on a daily basis. Television, video games, movies and music lyrics are filled with sexually explicit and racially charged language. While that may be considered appropriate for mainstream pop culture it is totally unacceptable on the NJB school campus. Therefore; such language and gestures will be taken seriously and addressed accordingly.

- The first offense will result in the scholar having to call their parent and repeat the exact words they were heard using, or describe the gesture they displayed.
- The second offense will result in an in-house suspension.
- The third offense will result in a 1 day formal suspension.
- The fourth, and any subsequent offenses, will result in a minimum of 3 days suspension up to a maximum of 5 days.
- After 10 days of suspension scholars will be placed on a behavior contract and may be taken to a behavior review hearing for possible alternative school placement.

New Joseph Bonnheim celebrates the rich diversity of our community and views this diversity as a strength of our community. It is therefore expected that all community members treat each other with the respect and dignity we all deserve.

Discipline and Confidentiality

All disciplinary and educational information about each child is strictly confidential. Staff will not discuss a scholar's progress or actions with anyone other than the legal guardians. Please do not ask about another child's academic progress, behavior, or disciplinary record.

If your child is involved in an incident with other scholars that results in disciplinary action, staff will only discuss the actions taken with your child. As you would not want your child discussed with another parent, other parents do not want their child discussed with anyone else either.

The principal is happy to facilitate a meeting with families of scholars that may be having conflict with each other, **as long as both parties are willing to meet.**

Parents and guardians are never to approach another child and question them about an incident at school.

If you have an issue that needs to be handled please ask the principal to facilitate that process.

Remember, our goal is to help our scholars develop personal responsibility, peaceful problem solving skills, and other behaviors that will help them to be successful in society and in their careers.

It is expected that all parents and staff members will act as positive role models for all children on campus

Processes and Procedures for Disciplinary Actions

All school rules and policies are based on California State Law and SCUSD policy. The rules and policies apply equally to all scholars and are based on the fundamental need to ensure scholar safety and maintain an environment where all scholars can learn. The following behavior matrix comes directly from the districts Standards of Behavior booklet. In addition to the schoolwide discipline plan, each teacher has classrooms rules and procedures that scholars are expected to follow. The classroom rules will be discussed in class.

NJB Behavior Policy and Expectations

New Joseph Bonnheim Community Charter is determined to provide the safest of school environments to nurture and develop our scholars. The following section will explain the scholar expectations, procedures, and consequences.

1.1. Positive School Climate

Our goal at NJB is to maintain a positive, safe, and welcoming learning environment. Our discipline policy contributes to the academic atmosphere and scholar achievement by emphasizing the importance of regular attendance, promptness, academic work, respect for others, and good conduct. Scholars will be learning about character traits through our Lifelong Guidelines (LG) and LIFESKILLS (LS) components of the charter. (See Appendix A)

2.1. Guiding Principles

1. Teachers and Staff will embrace and build relationships to nurture growth and understanding in every child and parent.
2. Scholars are expected to engage actively in their own learning by keeping their power* and applying the Lifelong Guidelines and LIFESKILLS.
3. Scholars have the right to be treated fairly, respectfully, and consistently.
4. Scholars will follow all procedures and rules/expectations established by the school.
5. Scholars will accept responsibility and consequences for the choices they make.

When there is an incident needing immediate attention, administrators will be notified, and the child sent directly to the office for disciplinary action. It is understood by scholars, staff, and parents that some behaviors could result in skipping the steps above in the Progressive Consequences.

8.1. Post-Suspension Follow Up

After returning from a Suspension, scholars will transition back into the classroom and resume “normal” classroom participation.

1. Post-Suspension conference between Parent(s), Scholar and Principal will take place.
2. Tasks will be assigned to the scholar to assist him/her into transitioning responsibly back into the classroom / school culture.
3. Conference with Parent(s), Teacher and Principal to determine full reinstatement.

Cyberbullying and Social Media Safety

Given the power of social media to provide instant and far-reaching communication, it can be easy to “blame technology”; however, it is a social problem. Parents and caregivers must know when it is appropriate for their child to open and use social media accounts.

What can parents and caregivers do to protect their students on social media?

- Be on the same apps as your children. If your kids use Snapchat, Instagram, etc, set up an account, spend time on the app, have them teach you how it works, get familiar with where private messaging happens on the app, and monitor them regularly. Also be aware of “fake” accounts – many youth will have one account that they allow family to monitor and another that is just for friends. You will always be the best tool for keeping your kids safe
- Talk to your children and remind them that they do not need “honest” feedback from strangers
- Teach your children to avoid gossiping both offline and online – even if they are “anonymous”
- Discuss the dangers of anonymous apps and how they can have an impact on real life
- Follow our suggestions to help your child prepare for the responsibility of being on social media:
 - Ages 0-13: Private
 - Ages 13: Have a family discussion regarding what should go public
 - Age 14-15: Build a personal website and post positive volunteer photos (and accomplishments/projects) online
 - Age 17: Colleges should be able to find a positive online footprint for your student

Minimum Age Requirements for Various Social Media Platforms:

- Facebook, Twitter, Instagram, Pinterest, Tumblr, Kik, and Snapchat: 13 years old
- LinkedIn: 14 years old
- WhatsApp: 16 years old
- Vine and Tinder: 17 years old.

Some platforms, such as YouTube, WeChat and Kik, have a minimum age required of 18, although kids aged 13-17 can sign up with parent’s permission.

This item appears in
